2019 Middlebury Area Community Garden Application Form

The Middlebury Area Community Garden (MACG) is located on the grounds of Porter Hospital. See map on our homepage www.middleburygardens.org. There are 16 organic plots, 4' x 24' each. Water and tools are provided.

Plots rent for \$30 for the season (\$15.00 for returning gardeners). Please send your check written out to "Middlebury Area Community Garden" – with this completed application form to the address above. If we run out of space and are unable to grant you a plot, your check will be returned to you.

Community members who had a plot in the garden last season will have first priority. Plots will be assigned to new gardeners on a first-come, first-served basis. You'll be notified by e-mail regarding your plot shortly after submitting your application and payment.

Contract:

I have read and agree to follow the Middlebury Area Community Garden Guidelines on the website at <http://www.middleburygardens.org/guidelines.php>

I understand that MACG reserves the right to disinvite a gardener without refund if guidelines are not followed.

I agree to weed and maintain my plot and adjacent pathways throughout the season and use only organic gardening methods. I will completely clean up my plot by removing all material by October 20, unless arrangements are made with MACG to overwinter crops.

Community workdays are optional (but encouraged!). These are the second Saturday of the month from 10:00am-noon: May 11, June 8, July 13, August 10, September 14, October 12.
